For Prayer:

Open Doors: Iraq

Iraqi pastors who work with converts take great risks for their ministry. One pastor shares, "Please pray for me and my family, that God will strengthen our faith to persevere."

GBM:N & U- Bradford, UK

Thank God for a blessed time over Easter with non-Christians attending the services. A young student, facing family threats, is seeking God desperately and applying for refuge. Pray for wisdom to deal with so many needs. Continue to pray for my trip to my home country in August.
