

Prayer Update

16 May 2026

Dear friends,

I've compiled the following prayer points from our recent mission updates to help guide our prayers this week. Please join me in lifting these needs up:

- **Myanmar:** Pray for the protection of pastors and missionaries in conflict zones, endurance for believers who have lost their homes, and wisdom for leadership in navigating community needs.
- **United Beach Missions:** Pray for bold Gospel sharing, successful recruitment for summer teams, and coordination for upcoming training days.
- **Ukraine:** Pray for peace, strength for weary believers and chaplains, and protection for those in intense conflict zones.
- **Kenya (Graham & Sally Jones):** Pray for national stability, medical recovery for Sally, and fruitfulness for pastors attending Bible training courses.
- **Madeira (The Murfitts):** Pray for wisdom and provision regarding their church building, and for continued growth and unity within the church family.
- **Nigeria & Caring for Life:** Pray for wisdom for ministry leaders, protection for those served, and successful outreach to those facing poverty, addiction, or housing crises.
- **Local Outreach:** Pray for our ongoing activities, including school assemblies and outreach in Leeds and Bradford, that these opportunities for the Gospel are used effectively.

Thank you for your faithful partnership in prayer.

God bless,

Paul
